Oxbridge Insights

Exceptional Academic Immersion

hello@oxbridgeinsights.education
www.oxbridgeinsights.education

About Us

Oxbridge Insights was founded by graduates of the Universities of Oxford and Cambridge who share a vision to open doors for the brightest young minds — enabling them to explore and develop their ideas in inspiring environments that transcend the boundaries of the classroom. Freed from the pressures of examinations and rigid curricula, students are invited to think independently, question deeply, and grow intellectually.

Drawing on the centuries-old academic traditions of Oxford and Cambridge, our programmes mirror the world-renowned tutorial model that has shaped generations of scholars, leaders, and innovators. This unique educational experience is designed to accelerate intellectual growth, sharpen critical thinking, and nurture the confidence to express original ideas with clarity and purpose.

What sets Oxbridge Insights apart is our unparalleled level of immersion. Students live, dine, study, and socialise within Oxford and Cambridge colleges, gaining exclusive access to spaces that are typically reserved for members of these historic institutions. From dining in centuries-old halls to walking the same quads as world leaders, Nobel laureates, and pioneering thinkers, our participants experience life as an Oxbridge student in a way that no other programme offers.

Throughout their stay, students are taught, mentored, and supported entirely by Oxbridge-educated tutors and staff — individuals who not only understand the academic culture intimately but have lived it themselves. This ensures a learning experience of the highest calibre: intellectually rigorous, personally transformative, and authentically Oxbridge.

This is more than a summer course — it is a transformative journey designed to broaden horizons, refine intellectual identity, and lay the foundations for future success. Many of our students go on to pursue studies at leading universities around the world, enriched by the skills, experiences, and perspectives gained through their time at Oxbridge Insights.

“Each summer, we welcome ambitious students to Oxford and Cambridge for two weeks of academic exploration and personal growth. Set within the prestigious grounds of an Oxford or Cambridge college, and taught by Oxbridge-educated faculty, the programme equips students with the skills and confidence needed for university and beyond. Participants arrive as curious learners and leave as empowered global citizens.”

Summer Programme

A Fully Immersive Experience

At Oxbridge Insights, our students are afforded the rare privilege of residing and studying within some of the world's most esteemed academic institutions. Our courses take place in the distinguished colleges of Oxford and Cambridge Universities, offering a deeply immersive experience that is steeped in the centuries-old academic traditions of these illustrious cities. These prestigious settings not only elevate the educational journey but also provide unparalleled opportunities for students to explore iconic cultural landmarks.

World-Class Faculty

Our faculty are Oxbridge educated, committed to mentoring and inspiring students. They actively engage in interdisciplinary research and provide personalized supervision.

Renowned Expertise

Tutors, at the forefront of academics and research their fields.

Personalised Study

Encouraging impactful, student-led projects developing on personal interests.

Comprehensive Programmes

Our programmes span multiple disciplines, offering opportunities for academic growth through close guidance, collaboration, and real world application.

Top Academic Programmes

Medicine, Engineering, Business Management, Law, PPE and International Relations and many more

Developing Interpersonal Skills

A blend of academic and social activities curated to inspire personal development for University and beyond

These initiatives drive our mission of lifelong learning and global academic excellence.

02

Academic Excellence

“Oxbridge Insights has an academic syllabus curated and delivered by Oxford and Cambridge academics. Our faculty provides an authentic insight into undergraduate study at two of the foremost educational institutions in the world.”

01 Mastery

We ensure that students master technical concepts through repetition and use of both theoretical and applied frameworks.

02 Expert Tuition

Our tutors are there to introduce new concepts as well as reinforce old ones, and to act as an academic resource for students about subject-specific concepts and topics

03 Goals

Through our programmes, we instil subject passion and interest amongst our students, so that they are best prepared for university-level study and beyond.

04 Holistic approach

Students continue their learning outside of the classroom through interaction with mentors, who can provide insights into the undergraduate student experience, such as social life, career choices etc.

Peer Learning

4-10 class size

Small class size maximising engagement and participation.

We cultivate a culture of intellectual exchange through structured peer reviews and dynamic group discussions. Students are encouraged to share their challenges and insights openly, transforming collective knowledge into powerful learning opportunities. This collaborative approach mirrors the collegiate traditions of Oxford and Cambridge, where dialogue and shared discovery are central to academic excellence.

Incremental Goals

Insights

Guestspeakers, one to ones and personal statement sessions.

Guidance

Guide students to break down ambitious objectives into clear, manageable steps.

Feedback

By celebrating progress at each stage, students gain confidence and develop the discipline required to tackle complex challenges

Access to a world of learning

Practical Work

Application of theoretical knowledge to the real-world through practical work.

College Classrooms

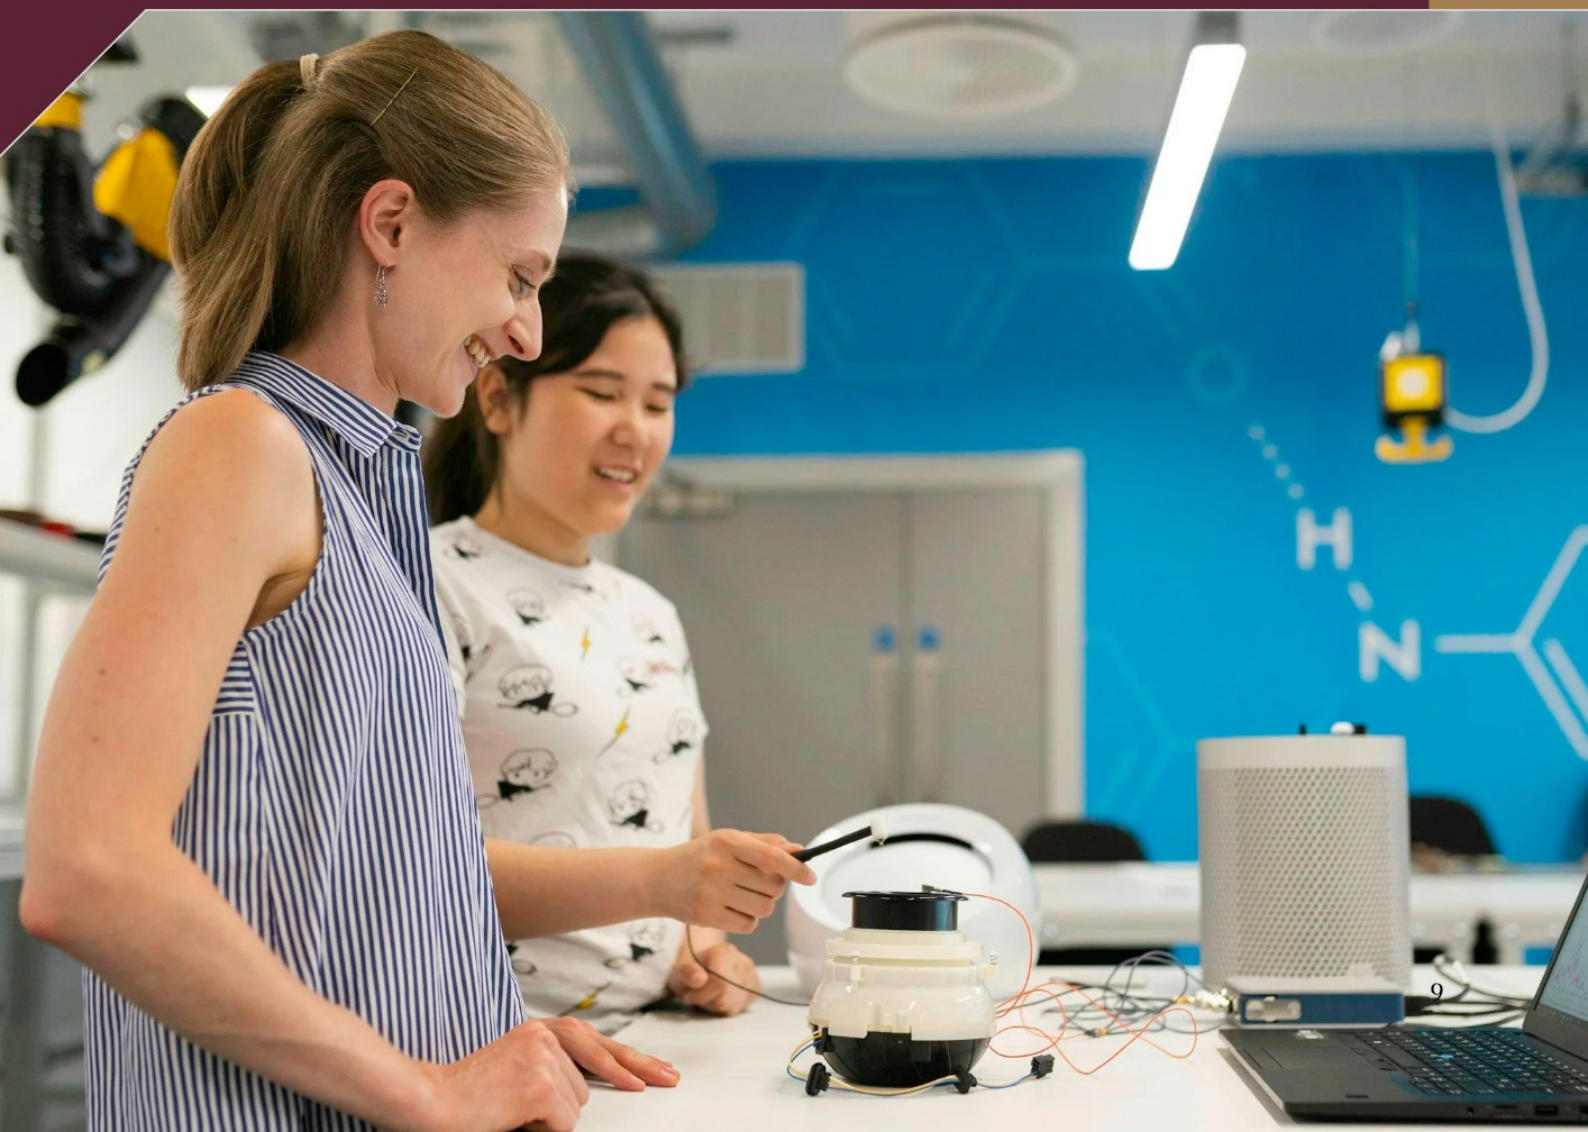

Equipped with modern technology for scientific discovery.

Fieldtrips

The opportunity to enhance engagement through department visits.

03

Supervision

Our mentor team are always enthusiastic and responsible individuals who are already studying at Oxford and Cambridge and are the first port of call, whether early morning or late night"

Tutors

Our tutors are academics, researchers or post-graduates within their specialist fields.

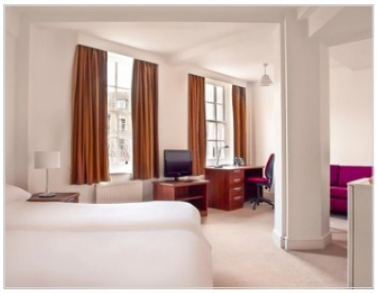

Senior Staff

The role of senior staff is to ensure that all students are safe from the perspective of Health & Safety as well as Safeguarding & Welfare.

Mentors

Mentors live on-site alongside students, and are available round the clock. All of our mentors are Oxbridge undergraduates

Student Life & Support

01

On-Campus Housing

Students are housed in comfortable individual rooms, fostering both independence and community.

02

Dining

Students enjoy breakfast and dinner each day, with a diverse range of options available, including Halaal. All dietary requirements can be accommodated.

03

College Premises

In each college you'll find a porter's lodge, a dining hall, a library, and common rooms, along with student accommodation, laundry facilities, and spaces for socializing and study

Safety & Welfare

Vetting

All staff are fully welfare trained and carefully vetted to ensure the highest standards of care. A clear safeguarding structure is in place.

Pastoral Support

With a staff-to-student ratio of 1:10, each student receives attentive care within a safe and well-managed environment.

04

Student Experience

Curated for Growth

Oxbridge Insights offers a dynamic and enriching student experience designed to support both academic and personal growth. Through a diverse programme of activities, students are encouraged to develop leadership skills, explore their creativity, and engage meaningfully with their peers—ensuring a well-rounded and memorable summer experience.

1. A diverse array of activities

A vibrant social calendar, inspired by traditional Oxbridge life, forms the heart of the student experience. From lively quizzes and sporting events to our much-anticipated talent show, each activity is designed to bring students together in an atmosphere of camaraderie and fun.

2. Optional Workshops

Students have the opportunity to take part in practical workshops focused on interview preparation, crafting personal statements, and engaging in Q&A sessions with current undergraduates. Our team is on hand to advise, inspire, and encourage each student as they take their next academic steps.

3. A balanced experience

While students receive 40 hours of high-quality tuition, a full programme of afternoon and evening activities ensures a perfect balance between rigorous learning and the opportunity to build lifelong friendships.

4. Free Time

While fun is always at the heart of the experience, students are also given the independence to explore the beautiful surroundings of Oxford and Cambridge. This freedom allows them to immerse themselves in the unique atmosphere of college life and discover the historic charm of these world-renowned cities.

Social Activities: At A Glance

01

Formal Dining

Students have the rare opportunity to dine in the exclusive halls of college, taking part in a cherished Oxbridge tradition: the Formal. Dressed in their best, they enjoy a full three-course meal — once at their own college and again the following week at another — allowing them to experience the grandeur and tradition of two historic institutions.

02

Excursions

To provide a truly all-encompassing Oxbridge experience, students visit the counterpart university during their programme — those based in Oxford will explore Cambridge, and vice versa. This enriching excursion is complemented by a full day in London, the vibrant capital and cultural heart of the UK, offering students a memorable blend of academic heritage and urban discovery.

03

Guestspeakers

Each programme features a dedicated guest speaker event, giving students the chance to hear from inspiring figures across diverse fields. We welcome industry experts, leading academics, authors, adventurers, and entrepreneurs. These sessions provide valuable insights, life advice, and the opportunity to engage with remarkable individuals who have shaped their fields.

05

College Accommodation

Our participants are granted the unique experience of full access to College grounds. Following in the footsteps of the most esteemed intellectuals and forward thinkers in history, no environment provides more inspirational for our participants to pursue their passion.

Live, Study and Relax in College Grounds

01

Students are accommodated on a half-board basis, with breakfast and dinner provided daily.

02

Each student enjoys a private room with a study desk in authentic Oxford and Cambridge college residences, offering both comfort and a true collegiate experience.

03

Students dine in historic college halls and benefit from full access to college facilities. The Porters and Catering teams are always on hand to ensure a safe and welcoming experience.

08

Graduation and Beyond

Graduation

Certificate

A prestigious certificate awarded upon completion, marking achievements in timeless graduation style.

Ceremony

A prestigious graduation ceremony within the college grounds, shared with loved ones in a truly special setting.

Formal

Concluding with a distinguished three-course Graduation Formal, a celebration of learning and shared achievement.

Academic Profile

Reference

Providing insightful guidance to shape their next academic steps.

Enhancement

An enriched understanding of their subject interests and the academic and professional pathways that lie ahead.

Skills

Participants complete the programme with the requisite academic and soft skills to support success in applications.

Alumni Network

Webinars

Continued access to complimentary webinars on topics from applications to interviews, providing valuable guidance for students' next academic steps.

Projects

Exclusive invitations to engage in research projects offered through our academic team, providing valuable opportunities for academic growth.

Complimentary Session

Alumni enjoy a complimentary consultation with our online tutoring team, providing continued academic support beyond the summer.

09

Travel and VISAs

Embarking on the journey of a lifetime

01 Travel Arrangements

Students and parents are responsible for arranging their own travel to and from London. An Oxbridge Insights staff member will be present to welcome students on arrival and assist with departures.

02 Transfers to Oxford or Cambridge

Fully chaperoned airport transfers between London and Oxford or Cambridge are available at £150 per person. This ensures students travel safely and comfortably to their college accommodation on arrival and departure days. Private transfers are £200.

03 Visa Requirements

Students are responsible for obtaining a UK visa where required. For most students, this will be a Standard Visitor Visa, as programmes last under one month. Details: gov.uk/visas-immigration.

04 Important Guidance

We recommend all families use the UK Government's online visa checker and consult their local embassy before travelling. This is especially important for students under 18, as additional documentation may be needed.

10

Fees and Inclusions

All-Inclusive Programme Schedule

The programme schedule is fully inclusive of all tuition, activities, excursions, and half-board accommodation, ensuring a seamless and enriching experience for both students and parents. The only additional expenses are travel, visas, and lunch, allowing families to plan with ease and confidence.

01 13 nights' accommodation

A private room within a centrally located Oxford or Cambridge college, giving students the chance to truly experience collegiate life.

02 Daily breakfast and dinner

Served in the historic College Hall, where students can enjoy delicious meals and build friendships in an inspiring setting.

03 40 hours of engaging academic sessions

Led by esteemed Oxbridge tutors, designed to spark intellectual curiosity and encourage ambitious thinking.

04 Expertly curated study materials and content

Crafted to support and enrich each student's academic journey.

05 An exclusive welcome package of Oxbridge Insights merchandise

Our Oxbridge Insights tote bag, lanyard, notepad, pen, and water bottle—ensuring students feel part of the community from day one.

06 A personalised written assessment

A reference from their tutor, providing valuable direction for future academic success and recommendations for College and University Applications.

07 A comprehensive mentorship

Personalised guidance, encouragement, and support at every stage of the journey, our dedicated mentors ensure that each student feels fully supported both academically and personally.

08 Certificate of Completion

Celebrating students' achievements in true Oxbridge style, with a graduation ceremony emulating what our students are in store for further on in their academic journey.

09 Two coach excursions

One to London, the vibrant capital city, and another to the counterpart university (Oxford or Cambridge)—broadening students' horizons and cultural perspectives.

10 Two Formal dining experiences

A distinguished marquee event showcasing Oxbridge tradition, with a refined three-course meal, offering students an unforgettable evening of elegance.

£10,495

"Oxbridge Insights delivers the foremost elite educational immersion for ambitious students aged 15–18, combining world-class academic teaching with transformative cultural experiences. At an unrivalled price point, we provide access to opportunities typically reserved for the few — allowing students from around the globe to step into the world of Oxford and Cambridge. Through rigorous academic study, meaningful mentorship, and authentic engagement with historic university life, participants are empowered to broaden their horizons, deepen their intellectual curiosity, and cultivate the skills of future leaders. This is more than a summer programme — it is a defining experience that shapes confident global citizens and the trailblazers of tomorrow."

Enrolment Fee

The enrolment fee is a non-refundable deposit applied toward the total cost, securing a place in the chosen session. The balance is due no later than 90 days before the programme begins.

Payment Schedule

For the two-week session, a £1,295 enrolment fee secures booking, with £4,200 due 90 days before the programme. For the four-week session, a £2,295 enrolment fee secures booking, with £8,200 due 90 days prior.

Flexible Payment

Participants may pay the full amount upfront or pay the enrolment fee first and the remaining balance later. For bookings within 90 days, the full fee is required immediately. Contact us for flexible payment arrangements.

11

Enrolment

Book an online consultation

Our team is here to support you every step of the way. Whether your questions are academic, pastoral, or financial, our experienced team — who have managed and taught on the programmes themselves — are fully equipped to cover every aspect and provide clear, helpful guidance.

Students & Parents

If you or your child would like to explore the opportunities Oxbridge Insights offers, contact our Admissions Team to arrange a personalised consultation and take the next step toward an exceptional summer experience.

Schools & Institutions

We partner with schools to offer students exceptional access to Oxbridge mentorship and world-class tuition. Whether supporting Oxbridge, Russell Group, or Ivy League applications, or refining personal statements, our tailored programmes complement existing provision and elevate student outcomes.

Educational Consultants

We collaborate with trusted educational consultants and agents in key regions to support ambitious students and families seeking elite academic enrichment through immersive educational travel experiences.

Bespoke & Group Bookings

If your school, organisation, or institution seeks a customised programme that combines prestigious tuition with a tailored academic or social calendar, we can act as your consultant. Drawing on our expertise and access to top educational institutions, we deliver seamless, turnkey solutions.
